SIMOVA APPS |

The following licenses are required for the Simova document management solution.

Additional Information | Document Central

The Simova document management solution interacts with the Microsoft SharePoint or Azure Blob Storage as a repository. The Microsoft SharePoint or Azure Blob Storage environment must be licensed separately. The IT department of the final customer of the related partner will have to take care about it.
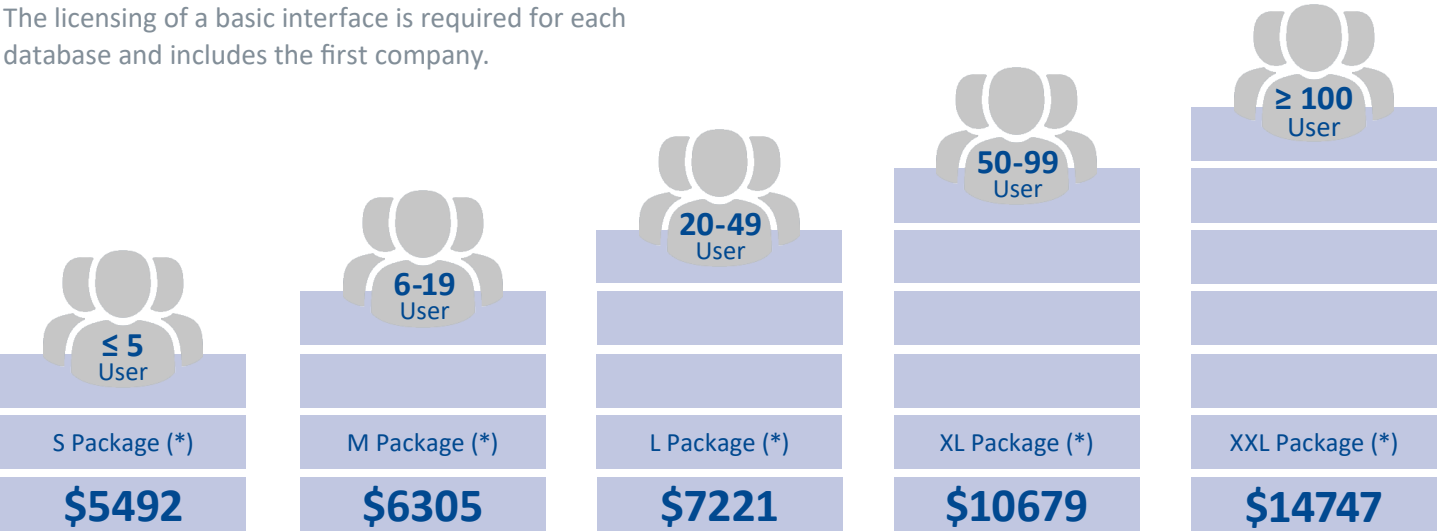

The following versions of Microsoft SharePoint are supported:

- Microsoft SharePoint Server (On-Premise)
    - » Version 2013 or higher
    - » Edition Standard, Enterprise and Foundations (2013)
- Microsoft SharePoint Online
    - » Integrated in Microsoft O365. Please check if your Microsoft O365 plan has SharePoint Online included
- Microsoft SharePoint is located in a hosted environment
